

Sprint 6 - Sprint Review Meeting Minutes

Location: Microsoft Teams

Date: Mar 18, 2023

Time: 2:30pm – 3:00pm

Agenda Items

- 1) Demonstrate landing page and timeline graphical elements
- 2) Demonstrate refined backlog and upload to Trello to make user stories easier for team to drag and drop under their names
- 3) Hover/Flip function for Timeline
- 4) Re-evaluate timeline development approach as it needs to be static and modern
- 5) Address timeline issues: backend keeps providing static code which is then made dynamic by Rimpby
