Sprint 7 - Sprint Planning Meeting Minutes

Location: Microsoft Teams

Date: Mar 22, 2023

Time: 6:00pm – 6:30pm

Agenda Items

1) Demonstrate landing page and timeline graphical elements

2) Demonstrate refined backlog and upload to Trello to make user stories easier for team to drag and drop under their names

3) Hover/Flip function for Timeline

4) Re-evaluate timeline development approach as it needs to be static and modern

5) Address timeline issues: backend keeps providing static code which is then made dynamic by Rimpy
